Book Report Requirements

Every High School student is required to read 5 **books** of different categories. You will find below the list of categories for every grade and the description of each category, during the summer you can start looking for the books you would like to read.

The students have two options:

- Choose their own books and bring them from your local library when needed.
- You can also check out books from the classroom library for \$2.00 each

English 7	English 8
All books must be 150-250 pages in length	
<u>Biography</u> About a moral person	<u>Biography</u> About a moral person
